

HISTORICAL CRISIS COMMITTEE **ANNOUNCEMENT**

Dear advisors and delegates,

As we have mentioned in our online seminars, the Historical Crisis committee will be monitoring the timeline through the discord platform.

The main debate and everything will be conducted through Zoom just like the other committees. In order to keep up with the timeline and the crisis that will occur, delegates are advised to sign in the Discord Server through this link; <https://discord.gg/6cxAUNPZKH> .

In the upcoming meeting at 07/02, the Historical Crisis Committee Chairs and the General Assembly Members, will explain the platform thoroughly.

All you must do is sign in the platform, change your name as your delegation's leader and join.

Do not hesitate to contact us and your Chairs for any further information.
